General Meeting Presentation - August 10, 2023 - 6:30pm

Kim Morris

Our August 10 presentation will be one of our newest members, Kim Morris. Kim creates murals, makes silkscreens, designs wood sculptures, and paints anything she gets her hands on. You can find her work on her website www.kmorrismade.com or Instagram @kmorrismade. Check out her gas pump inside the door of the Chevron station!

Kim is a self-taught artist who loves to create whimsy and once-in-a-while functional pieces. She has either painted, drawn, or built items out of wood all her life. In Kim's words, "Making art is my life. It's very personal to me. You can find me at the shoreline with seashells in my pockets and pups by my side."

Art is ...

<p>Art is eternal, but life is short. Evelyn De Morgan</p>	<p>Creativity is a drug I cannot live without. Cecil B. DeMille</p>	<p>Art is a lie that makes us realize the truth. Pablo Picasso</p>
